

Bureau of Land Management, Interior

§3131.4-1

§3130.5 *Bona fide* purchasers.

The provisions of §3108.4 of this title shall apply to *bona fide* purchasers of leases within NPR-A.

[46 FR 55497, Nov. 9, 1981, as amended at 53 FR 17358, May 16, 1988]

§3130.6 Leasing maps and land descriptions.

§3130.6-1 Leasing maps.

The Bureau shall prepare leasing maps showing the tracts to be offered for lease sale.

§3130.6-2 Land descriptions.

(a) All tracts shall be composed of entire sections either surveyed or protracted, whichever is applicable, except that if the tracts are adjacent to upland navigable water areas, they may be adjusted on the basis of subdivisional parts of the sections.

(b) Leased lands shall be described according to section, township and range in accordance with the official survey or protraction diagrams.

Subpart 3131—Leasing Program

§3131.1 Receipt and consideration of nominations; public notice and participation.

During preparation of a proposed leasing schedule, the Secretary shall invite and consider suggestions and relevant information for such program from the Governor of Alaska, local governments, Native corporations, industry, other Federal agencies, including the Attorney General and all interested parties, including the general public. This request for information shall be issued as a notice in the FEDERAL REGISTER.

§3131.2 Tentative tract selection.

(a) The State Director Alaska, Bureau of Land Management, shall issue calls for Nominations and Comments on tracts for leasing for oil and gas in specified areas. The call for Nominations and Comments shall be published in the FEDERAL REGISTER and may be published in other publications as desired by the State Director. Nominations and Comments on tracts shall be addressed to the State Director Alaska,

Bureau of Land Management. The State Director shall also request comments on tracts which should receive special concern and analysis.

(b) The State Director, after completion of the required environmental analysis (see 40 CFR 1500-1508), shall select tracts to be offered for sale. In making the selection, the State Director shall consider available environmental information, multiple-use conflicts, resource potential, industry interest, information from appropriate Federal agencies and other available information. The State Director shall develop measures to mitigate adverse impacts, including lease stipulations and information to lessees. These mitigating measures shall be made public in the notice of sale.

[46 FR 55497, Nov. 9, 1981, as amended at 53 FR 17358, May 16, 1988]

§3131.3 Special stipulations.

Special stipulations shall be developed to the extent the authorized officer deems necessary and appropriate for mitigating reasonably foreseeable and significant adverse impacts on the surface resources. Special Areas stipulations for exploration or production shall be developed in accordance with section 104 of the Naval Petroleum Reserves Production Act of 1976. Any special stipulations and conditions shall be set forth in the notice of sale and shall be attached to and made a part of the lease, if issued. Additional stipulations needed to protect surface resources and special areas may be imposed at the time the surface use plan and permit to drill are approved.

§3131.4 Lease sales.

§3131.4-1 Notice of sale.

(a) The State Director Alaska, Bureau of Land Management, shall publish the notice of sale in the FEDERAL REGISTER, and may publish the notice in other publications if he/she deems it appropriate. The publication in the FEDERAL REGISTER shall be at least 30 days prior to the date of the sale. The notice shall state the place and time at which bids are to be filed, and the place, date and hour at which bids are to be opened.
